

“Your products have not let us down in the 5 years we have been using them, for all high and low voltage in high corrosive environments. It also stops 12 volt from tracking”

Kerry Millard,
Millards Auto Electrical,
Moorooka, Queensland.

General Purpose Liquid Lanolin

A general lubricant and corrosion protection for light industrial, electrical and household applications.

- Non-conductive to 70kV
- Protects electrical connectors, ECUs and switch gear, high and low voltage
- Lubricant for drilling, cutting and machining
- Rejuvenates leather, vinyl and plastics
- Rust proofing for motor vehicle components
- Lubricant for locks, hinges and light chain
