Lano-Form™

Ready to use concrete release agent

Formwork | Precast

Steel, timber, plywood, plastic & fibreglass

- ☞ Extends the life of timber and metal moulds
- ☞ Safe on rubbers and polystyrene
- ☞ Non staining
- ☞ Compatible with most coating systems

Superior Results

Less pitting and staining than other release agents and form oils. This means less time wasted fixing problems after the pour.

AVAILABLE IN
20L Cube
 RALF-0020 500m²
200L Drum
 RALF-0200 5000m²

Natural Solutions

- ☞ Lanolin and water based.
- ☞ Safer for use in environmentally sensitive areas & waterways.
- ☞ Safer to use than petrochemicals.
